Creative Web Designer

We're seeking a skilled Web Designer with a passion for creating visually stunning and highly intuitive user experiences. The ideal candidate will have a keen eye for clean, modern design and a strong grasp of user interface principles to craft engaging, user-friendly websites.

Responsibilities

- Utilize 3+ years of experience to design website layouts, web templates, and intuitive user interfaces
- Create visually appealing designs by effectively combining colour palettes and visual elements
- Design high-converting landing pages tailored to user experience and marketing objectives

Requirements

- Demonstrated experience as a Web Designer with a strong portfolio of completed projects.
- Solid proficiency in HTML, CSS, and JavaScript for rapid prototyping and front-end development.
- Minimum of 3 years' experience in designing websites, user interfaces, and responsive web layouts.
- Strong working knowledge of Adobe Photoshop, Corel or equivalent design tools.
- Basic to advanced understanding of written and spoken English for effective communication.

Qualifications

- Degree in Web Design, Graphic Design, or related field.
- Proficient in Adobe Creative Suite, Figma, or similar tools.
- Basic knowledge of HTML, CSS, and responsive design.
- Strong creative and visual design skills.
- Experience with UI/UX principles and web design trends.
- Good communication and time management.
- Portfolio showcasing web and graphic design work.
