Shaping Digital Search Excellence

We are hiring a seasoned SEO Team Lead to drive end-to-end SEO strategies for our clients. This role involves managing onsite and offsite optimization, conducting in-depth keyword research, and evaluating performance to deliver impactful results.

We're looking for a strategic leader with strong analytical abilities and excellent communication skills. The ideal candidate will collaborate across departments to ensure high-quality execution and continuous improvement in organic visibility.

Responsibilities

- Design and implement effective SEO strategies tailored to client goals.
- Lead and mentor a team of SEO specialists, fostering growth and collaboration.
- Perform in-depth keyword research to support and guide content development.
- Identify and resolve technical SEO issues to enhance site performance.
- Oversee off-page SEO initiatives, including link-building and outreach campaigns.
- Monitor, analyze, and report on key SEO metrics such as traffic, rankings, and conversions.
- Stay current with the latest SEO trends, algorithm updates, and digital marketing best practices.
